AMENDED

Dear Carol:

My campaign for the 56<sup>th</sup> House District received your letter of May 12 indicating we had accepted two cash contributions over \$100.00. The two transactions in question were contributions made by me to the campaign on July 27, 2005, and December 30, 2005. I made both contributions by check, but we incorrectly checked the cash box when completing the campaign finance report dated January 10.

I apologize for this error. Thank you for the opportunity to provide this additional information about the January 10, 2006, campaign finance report.

Sincerely,

A handwritten signature in black ink that reads "Tanya Dorf". The signature is stylized, with the first name "Tanya" written in a cursive-like script and the last name "Dorf" in a more straightforward, bold script.

Tanya Dorf
